This beautiful Air Conditioned 2 storey unit offers the astute purchaser luxury and style! So well designed, this large unit offers spacious contemporary living spaces and wonderful resort facilities including a large underground heated pool, spa tub, sauna and spectacular private gymnasium underneath the beautifully landscaped gardens & grounds!! Full lift access from the security car park, the lower level comprises the master bedroom with A/C and a large en-suite bathroom plus a balcony! Ascend the internal stairs to access a large A/C living room opening onto a delightful balcony with district views. There is another dining area off the kitchen which features stainless steel appliances, gas cook top and microwave. The second bedroom also has A/C, built-in robes and a lovely sunny North facing balcony private balcony. A large second bathroom also adorns this level plus an internal laundry plus ample lock up storage! This is a large well designed home ideal for the investor or first home buyer. Only 900m to the Newington shopping centre and 600m to all the accessibility of the M4!
