* Not only does this fine Alfredton residence have four bedrooms, but it has three terrific living spaces.* A well positioned lounge is adjacent to the front entry, a large family area adjoins the kitchen-meals, and there is a separate television room.* Of special interest is the available access to the rear yard, via double gates, for a caravan, trailer or extra vehicles.* Ducted air-conditioning and ducted heating provide ideal, year-round internal climate control.* The master bedroom has an ensuite and WIR. Built in robes feature in bedrooms two, three and four.* You will note the kitchen has loads of bench and cupboard space, a 900mm oven and dishwasher.* A lovely wide street frontage shows this residence at its very best.* A well fenced secure rear yard is ideal for your family and your pet security.
