Tucked away in a lovely, sheltered location this north facing home is built to capture the sun and to make the most of the amazing sea views. This vertical weather board home was constructed in the 1950's, and this is the first time that it has been offered up for sale in its life time. The house itself is in mostly original condition, making it a blank canvas for its new owners to put their own stamp and it has amazing potential with its split-level floor plan. Offering 3 bedrooms, 2 living areas and 2 bathrooms with a roomy garage underneath. Outside you will find a private backyard with established garden and ample car parking. This property sits in a blue-ribbon area of town, in the popular suburb of Parklands with its stunning views, and it represents a truly unique and rare offering to the market.
