We're all familiar with the old saying 'don't judge a book by its cover', so don't be fooled by the original exterior of this single level, three bedroom. Tastefully renovated throughout with a combination of new carpet and vinyl plank timber look floors, fresh paint, double blinds, ceiling fans, reverse cycle aircon and sleek black fixtures and fittings. The internal floorplan provides good separation between living zones and bedrooms - brand new ultra-modern bathroom, separate toilet and laundry. Kitchen features glass splashback, dishwasher and electric appliances and is open plan through dining to the main living area. High raked ceilings and windows providing light and a feeling of space, while also enjoying beautiful ocean views all the way down to Green Cape on clear day. The single garage has designated workshop space and direct internal access. At the rear of the home a large and private grassy yard with sunny Northerly aspect, incorporating a designated paved area for outside entertaining with a stunning Jacaranda tree as a backdrop. This home is versatile as an ideal investment opportunity, holiday home or perfectly suited for the growing family, with plenty of room to extend outward or upward, even add a shed if need be - loads of possibilities to further improve. All this within a short buggy ride to the Tura Beach Country Club, where facilities include golf, bowls, tennis, meals, TAB and pokies. Don't delay in arranging inspection soon, this one will go quick!
