Auction Location: Onsite This bold beauty is where your best life begins! Architecturally designed and built in 2021 on a 592m² block that borders parklands, embrace contemporary living in a sleek triple-level sanctuary. Capitalising on its leafy outlook, an abundance of glass throughout ensures views of the lush greenery are only ever a glance away. A textural stone feature wall and internal garden add warmth to the interiors, while access to two gourmet kitchens equals a home fit for first-class entertaining. A butler's pantry accompanies the upper-level option, along with an expansive living and dining zone that spills onto an elevated balcony. Host guests here while gazing out across the lush landscape or retreat to the middle-level kitchen/living/dining zone which also flows outdoors. External bathroom amenities and a heated pool and spa with cabana, water features and mood lighting are the perfect party addition. Alternatively, switch settings to relaxation mode and keep cool in the pool. Configured with five bedrooms and three bathrooms, a luxe master suite with ensuite and walk-in robe is a dream place to end your day. Additionally, the clever floor plan lends itself well to multi-generational families. App-controlled ducted air-conditioning, camera security, alarm system and parking for cars. Plus, with the park and sporting field on your doorstep, you'll not only enjoy increased privacy with less neighbours but benefit from a supersized backyard without the time-consuming maintenance. Positioned within walking distance of Fairfield Gardens Shopping Centre, public transport, and the meandering Brisbane Corso, you're also a short drive from public and private schools. Factor in being under 7km from the CBD and it's easy to see why this move-in-ready modern marvel won't last long. See it, love it, buy it before it's too late!
