Boasting 180-degree views overlooking Orange and in a very private setting, this beautiful big six-bedroom 2-bathroom home on just under 5 acres - is ready for its new owners. Snuggle up to the cozy wood fire in winter in the second lounge room, or why not entertain your friends and family in the formal lounge and dining room. The spacious master bedroom ticks all the boxes with ensuite and walk in robe. The remaining bedrooms are generous in size with amazing views, one has been set up as a work from home office. The Kitchen boasts a walk-in pantry, and the alfresco area is undercover for all year round entertaining. The 3-car garage on the end of the home provides plenty of car storage or extra living room if needed, and the separate workshop will keep the budding mechanic of the family busy on weekends. Complete with your own bore, swimming pool, fenced paddocks and amazing views, it truly represents the complete package!!
