If you're looking for arguably one of the most practical family homes EVER, your journey ends right here! I'm talking a huge mudroom to house your shoes and hang the school bags. An expansive light-filled kitchen with 3 ovens and 2 dishwashers (no that's not a typo!). Three living zones AND a dedicated study. I'd say more but you don't have the time to read - send an enquiry now to avoid disappointment as this one will not last long and you could be living here as quickly as your bank and settle.
