Metro style meets standout convenience in this penthouse-level apartment with 270-degree views that stretch from the city skyline and the Blue Mountains to Botany Bay and the ocean as a dramatic ever-changing backdrop. Holding a prized position on the top floor of the Panorama building of the landmark Pacific Square complex, the oversized two-bedroom apartment holds a peaceful and private setting away from the hustle and bustle with direct level lift access from the street and secure undercover parking with only three other apartments on the top floor. Streamlined designer interiors are wrapped in huge windows allowing the captivating vista to take centre stage with a semi-enclosed loggia for entertaining or simply relaxing and enjoying magic sunsets. Living is easy with resort-style facilities including a heated pool, gym, sauna and playground as well as direct access to Pacific Square's retail hub where you'll find everything from supermarkets and cafes to sushi bars and delis. -?Secure entry, direct level lift access -?Newly refreshed, as-new condition-?2 large bedrooms with built-in robes -?Main with an ensuite and walk-in robe-?Oak floorboards, wall-to-wall windows-?Oversized living/dining, reverse cycle air-?Semi-enclosed balcony with panoramic views-?Views from the city skyline to the ocean -?Automated Somfy sheer/blockout blinds-?Sleek stone kitchen, new F&P dishwasher-?2 stylish bathrooms, main with a bath-?Full-sized internal laundry, gas heating -?Peace and privacy, one common wall- Secure undercover parking, visitor pkg-?Pool, gym, and on-site childcare centre-?On-site building manager, 24/7 security-?Bus links to the city and Bondi Junction -?Minutes to the beach and PoW Hospital
