This classical rustic farm house with 10ft ceilings has 4 bedrooms 2 bathrooms, and sits on approx. 67.9hc or 167ac. With beautiful north west facing views over to Mount Frankland and the Walpole Tablelands. This is a home with a lot of character in every sense of the word. This property is currently used as a lifestyle block, but has the potential to be turned into a farming venture of various pursuits. The historic Hazelvale school and teachers cottage were moved onto the property many years ago, which will need to be lovingly restored to bring them back to their former glory. Property features;-
• Three dams
• Water course that runs through the center of the property, which flows during winter
• Chook run
• Established fruit trees
• Two road frontage, front entrance off of Hazelvale Road, and a back entrance off of Talbot Road
• School bus service runs past this property
• Workshop
• Six bay open machinery shed
Well worth a view, good sized acreage and well set up to just move in, this is the only property for sale like this in the district.
