Are you over living in town with all the nonsense that goes on. Well, there's none near this place!! Here we have a beautiful family home, only 6.5 kilometers north of Sarina, whose next-door neighbour is a cane farm. No through traffic so just peace and quiet. If four bedrooms are enough for your family, then this could be it. All bedrooms are light and airy with views over the grounds. Three of them have built-in wardrobes and ceiling fans. Plenty of room in the kitchen, both for food preparation and storage, and a servery to the dining room. The lounge room is big enough for family film night so put the popcorn on and settle back for a good night's entertainment. Fruit trees are plentiful with an array of varieties including coconut, mango, grapefruit, nectarine, lemonade, lime and lychee, certainly enough for you to do your fruit salad without going to the shops. Landscaped grounds and established gardens surround the home, sheds and in-ground saltwater pool. There are two 9m x 6m colourbond sheds, one of which has a second toilet, concrete floors and power connected, maybe one for your toys and a workshop and one for your vehicles. In summary, a beautiful 4-bedroom family home on the outskirts of Sarina with sheds and a pool. A rare find so don't muck about.
