With generous proportions and contemporary design, this luxurious residence with internal lift access provides three spacious bedrooms and multiple private areas to relax or work from home. Take advantage of a perfect northerly aspect, glorious sunsets on the water and an incredible night skyline of the CBD, Melbourne Star, Victoria Harbour. At ground level from a courtyard entry the spacious open plan living, dining and study nook share the serene river view by day and the spectacular skyline by night. The entertainer's kitchen is generously appointed with 900mm Miele appliances, extensive pantry and full height cupboards, side-by-side integrated fridge/freezer, zip tap and loads of benchtop. Clever design allows natural light from the atrium to stream through to the informal meals area. Adjacent is the powder room and direct access to the secure double garage. Zoned air-conditioning controls the temperature to your needs. Three bedrooms on the second level. The impressive master suite with private waterfront balcony, a walk-through dressing area to the gleaming ensuite complete with wide double shower, double hand-basins and heated towel rails. Bedrooms two and three both provide ample wardrobe space and share a roomy main bathroom with bath, shower and separate laundry. The airy, open study makes a great workspace and benefits from the natural light of the atrium above. The third level lifestyle area has access via the lift or staircase and boasts a large retreat/living area opening onto a balcony with stunning water, sunset and evening views. All views are enhanced from the rooftop terrace with uninterrupted vistas of the superb sunsets, north across the water and east to the city skyline.
