This perfectly placed home in West Tamworth has more than enough room for the growing family. With a modern open plan kitchen, you can take in the stunning views from your window, the slate floors and timber finishes really set off the modern retro vibe. The floor plan allows the home to flow effortlessly from the kitchen into the lounge/ living area where you will find a large wood fire, floating floorboards and ceiling fans. With three generously sized bedrooms on the top floor an ensuite off the master and a great sized main bathroom this home has space for everyone. As you make your way downstairs discover a whole new self-contained living area with two bedrooms, a single bathroom and kitchenette area with separate access to the front via the glass sliding doors, this space is perfect for guests to stay or for growing teenagers. The back yard is fully enclosed with space for the kids to make memorable moments and all of this is set out in a great location close to schools and shops. Keep an eye out for our next open home or simply call Justine or Isabel to book an inspection.
