Set on a generous quarter acre block in Coleraine, this 3 bedroom weatherboard home has a lot to offer anyone seeking to enter the property market or an Investor looking to expand their portfolio. Some features of the property include a gas cooker, wood heater, split system air conditioning. The large rear yard has some shedding for storage. Just a short distance to the Coleraine town centre, this home has access to all that the central country town has to offer. This property has been priced to sell, it would offer a strong return to any investor or a good home for someone seeking an entry level home. Contact the team at Groves Real Estate for more information, inspections are strictly with the selling agent by appointment only.
