Showcasing a fantastic coastal vibe and lovingly renovated throughout, this rock solid super comfy, stylish abode is the perfect pocket pleaser property that requires nothing other than a new owner to call it home! Nestled on a super spacious 800 m² block, with dual sided drive through rear access, there is plenty of space for kids and pets to play, camper trailers to park, or to add your picture-perfect pool or super-sized shed! With culinary comfort in mind, the kitchen is positioned in the heart of the home, offering a plethora of bench and cupboard space, gas cooking, and an excellent island bench set up which is the perfect hub for breakfast conversations, evening entertaining and the casual coffee catch up! Fully tiled throughout with extensive refurbishments undertaken over the last couple of years, we invite you to come and view, fall and love, and offer you the opportunity to create future memories in this incredibly inviting Trinity Park home. An oldie but a goodie, we are close to the beach, close to the Marina, and the owner has confirmed the property stayed safe and flood free in the recent Jasper weather event. Please call marketing agent Rachel @ Twomey Schriber to inquire further or to register your interest.
