In a terrific location this spacious, brick Edwardian terrace is a short walk to Rathdowne Village, shops & cafes, Princes Park, schools, and CBD bound trams. Behind the traditional period façade, the inviting entry leads to a return hallway with two spacious bedrooms both with built in robes and the main with bay window, and central bathroom with separate bath and laundry. Previously extended to the rear there is an open plan living room, and timber kitchen linking to the leafy rear courtyard with car access via roller door (ROW). Includes split system heating and cooling and shed. Retaining original character and charm, this immediately comfortable home offers the potential to add your vision and create your dream home (STCA).
