This beautifully presented modern contemporary family home, built in 2009, is sure to impress. Located in an unbeatable, elevated, and quiet position in the highly sought-after Goodwin Terrace, this fantastic home is only footsteps away from the clubhouse, parks, cafes, restaurants, and transport. The spacious front deck showcases the elevated position and north-facing outlook. The beautifully designed kitchen, equipped with gas cooking, stainless steel appliances, and a convenient breakfast bar, flows effortlessly into the open-plan living area and extends to the inviting outdoor entertaining space, which overlooks a private backyard. There are plenty of areas in the home to relax and unwind, including a second living area with access to the tranquil timber front deck. The home features four large bedrooms, including a spacious master suite complete with an ensuite. The remaining bedrooms and living areas are all serviced by a modern main bathroom. Enjoy year-round comfort with reverse cycle ducted air-conditioning, peace of mind with CrimSafe security screens and alarm systems, and easy cleaning with a handy Vacuumaid system. FEATURES INCLUDE: • Remote double lock-up garage with large adjoining workshop • Four large bedrooms • Family-sized chef's kitchen • Two living areas plus outdoor entertaining • Fully fenced 607m² block • Ducted reverse cycle air conditioning • CrimSafe security screens, alarm system, and Vacuumaid • Wired for electric car charging unit • Internal laundry with direct access to drying area If you are looking for a great family home with easy city commuting, close to shops and schools, this one is sure to tick all the boxes.
