Situated just around the corner from the Karingal Hub shopping centre with all its shops, cinemas and restaurants, you can throw away the car keys because everything is here. There are three bedrooms plus an optional fourth or this room can be used as a rumpus room for the kids. There is a large lounge/dining with high raked ceilings which creates a fantastic feeling when you enter the home from its split level entry. There is also a split system air conditioner. The large double carport/garage and the gardens are large enough for everyone without being too much to look after and there is a large covered outdoor living area for the summer BBQs. Arranging an inspection is easy. To book a time to inspect, simply click on 'Email Agent' to arrange. By registering, you will be instantly informed of any updates, changes or cancellations for your appointment.
