\$640,000

Sale By Fixed Date - Monday 19th February, 2024 @ 12pm (Unless Sold Prior). Indicative Buyer Range \$635,000 - \$675,000 'Pomona' - 3.5 acres (1.417Ha). Quality brick home that is immaculately presented through-out, built with large picture windows that capture the stunning views and provide loads of natural light and the bonus of town water connected. The spacious lounge features a bay window that captures views of Mt William & Mt Redman also boasting slow combustion wood heater & R/C split-system, the dining has floor to ceiling views of the fernery, 3 good size bedrooms with robes and a renovated, family bathroom. The kitchen is the heart of the home which has a quality renovation with stone bench tops, great storage, electric cooking & the real feature is the modern, 'Stanely Deluxe' wood stove plus a new instant gas hot water unit has recently been installed. The huge decked entertaining area features a fireplace, beautiful views and is big enough to host the largest parties. Set amongst established gardens, low maintenance grounds, a well fenced yard which is ideal for kids or pets, large water tank, water system, post & rail front entry. 6m garage/ workshop.
