This central terrace cottage has been in the same family for around 55 years and is looking for new owners. The property dates to the 19th century and features 3 bedrooms, lounge, open plan kitchen/dining and a second comfortable living area at the rear. You will love the modern kitchen with soft close furniture, dishwasher, gas cooktop and under bench oven, and it looks great sitting on the beautiful timber floating floor. Call for an inspection, you will love its charm. • With only around a 450m walk to the CBD, DPI and many other attractions, you could ditch the car. • Very private rear yard, approximately 404sqm block and torrens title. • Attached large single garage with auto door and entry into house, second toilet. • Two of the bedrooms are large as is the kitchen and dining rooms.
