On point, on trend, in tune with today and destined to retain its status as a benchmark modern family home far into the future, the desirability of the design delivers immediate impact and leaves a lasting impression. The luxury of the living and dining domain that features matte finished floors and flow to alfresco dimensions served by a fully integrated barbeque kitchen is matched by the sublime style of the principal kitchen's stone surfaces, elite fixtures and walk-in pantry. Choose between upstairs and downstairs main bedrooms, each accompanied by a walk-in robe and faultless fully-tiled ensuite, while two further bedrooms sharing the third, similarly sophisticated bathroom confirm this home's impeccable family credentials. A central upstairs retreat and a dedicated downstairs study add ideal flexibility to a luxurious layout featuring the best of everything, a secure garage and extra parking. Reach The Circle, Altona North Primary School, Second Avenue Grocer and recreation facilities in moments from this unforgettable property.
