Offers Over \$500,000

We love to bring you properties that are presented as clean, as neat, and as tidy as this lovely family home. There are three bedrooms, two with built in robes, a beautifully renovated and modern bathroom with walk in shower and what is one of the greatest entertainment, living and bar areas I have ever seen. The lounge is cosy and functional although I think the majority of your home time will be spent out on the enclosed deck area with heating and plenty of room. The kitchen is beautifully appointed with ample self closing cabinetry and quality Bellini appliances. Outside, and as you enter the premises, you are met with low maintenance reticulated gardens that lead to the front door via a porch. There is a massive 6 X 10 meter shed with two car spaces and a workshop at the rear. The home is kept warm with a gas heater and a reverse cycle air conditioner. The dining area is located adjacent to the kitchen in a functional open plan space. Trifold doors open onto the fabulous living space at the rear. In this powered room you have a fully functional bar also with trifold windows, cupboard space, a glass washer, fridge as well as beer taps that can easily be set up for use. The enclosed deck has overhead heating for all year round and runs the length of the property. In the back yard there is a greenhouse, veggie garden, chook pen and fruit trees. Situated just a short stroll to Sheffield School, Library, the main shopping area and all its amenities including a Bus Service to Devonport via Railton and Latrobe the location is spot on. Set on a generous sized 920m² block this home is ready with nothing to do but make it your own.
