Walking inside, you are greeted with space and warmth. This beautiful 4-bedroom brick home sits at the end of a quiet cul-de-sac, close to Molong Hospital and a short drive to sports fields, schools and the town centre. The combustion fireplace is just one of the main features that greets you as you walk through the front door. With separate living area and an open kitchen and dining area, you can enjoy your meals as this center piece keeps not only the kitchen area warm but the whole house. Keeping the bedrooms neat and tidy will not be a problem as all four rooms contain built in wardrobes, or even turn the 4th bedroom into a study, playroom or even a gym. When you step out into the back yard, take advantage of the large undercover patio to entertain family and friends all year round. Enjoy that weekend project, or just keep the backyard tidy with the large lock up shed that sits nicely out back. With plenty of room to store your caravan, boat or trailers, the concrete pad by the side of the house is ready for use. With a four-camera security system, solar panels and freshly painted, 94 King Street is waiting for you to make this house a home, so don't miss your opportunity to enjoy everything this home has to offer.
