Capturing glorious views to the hills, this expansive luxury home creates a soothing retreat for a growing family, situated within a stroll of spectacular Jells Park and close to desirable schools. Boasting standout street appeal courtesy of its Spanish-inspired façade and gated frontage, the pillared porch opens to reveal a spacious open layout and grand entry, complemented by soft neutral tones, glossy porcelain tiles, airy high ceilings and a sweeping staircase. The welcoming ground level is designed for relaxing and entertaining, showcasing a formal living room, open plan family/dining zone and sumptuous home theatre, plus two versatile studies for remote working. Meanwhile, the well-appointed kitchen overlooks the sun-drenched wraparound yard, featuring elegant shaker-style cabinetry and quality 900mm appliances alongside a walk-in pantry and combined laundry/butler's pantry. Upstairs, an inviting rumpus introduces four oversized bedrooms with ample storage, including the enormous hotel-inspired master with its fitted walk-in robe, big bay window and deluxe spa bath ensuite. There's also a neat family bathroom with floor-to-ceiling tiles, a rainfall shower and separate w/c, plus a convenient powder room to the lower level. Adding to the home's endless comfort and splendour, finishing touches include ducted heating, evaporative cooling and ceiling fans, an alarm system, security cameras and a double garage. Creating a lifestyle of ultimate convenience for a busy household, Jells Park Primary School, Wheelers Hill Secondary College and prestigious Caulfield Grammar can all be reached within minutes, while Wheelers Hill Shopping Centre is just a short walk away. The property is also close to beautiful wetlands and walking trails, local bus routes, the Eastlink and Monash Freeway for easy commuting. Where luxury living meets natural beauty and family-friendly convenience, this is a dream forever home.
