Commanding a prime location, this substantial north facing allotment featuring large solid brick family home presents an enticing opportunity to renovate, build or redevelop (stca). The existing home offers mainly original interiors with grandly proportioned rooms, stunning leadlights and detailed ceilings, cornices and box windows, comprising wide elegant entry, four spacious bedrooms plus study, formal lounge, separate formal dining room, family room, two bathrooms including and central granite kitchen with family area. Excellent off street parking with dual carport round out the expansive accommodation on offer, perfect to renovate and/or occupy immediately or lease out. The established and deep rear gardens feature swimming pool, outdoor entertainers deck all set in a delightful green lush environment. Outstanding prospects also abound to create a multi-townhouse or new home project/development (stca).
