Nestled in the foot hills of Kunanyi on over 9 acres of land, is this gorgeous cottage. Once you arrive, you will never want to leave. Feel the magic as you wander through the picturesque English garden, marvelling at the outlook over the trees and beyond to the River Derwent. The land is a fine blend of manicured gardens, rolling lawns, working vegetable garden, native bush, running creek and places to sit and unwind. This is a truly special place. The home itself is simply lovely. Expansive deck to take in the view and feel the sun's rays. Open plan living, dining and kitchen are a fine combination heated by the cosy woodfire with the added convenience of an air conditioning unit. Double glazing exists throughout most of the house - an added bonus. Three bedrooms provide room to move and a bathroom complete with tub. A substantial studio with power offers another space to spread out or an area for a home office or hobbies. Shed and carport, undercover outdoor area, cosy outdoor hut, running stream, birdlife and an abundance of flora and fauna. Conveniently on the bus route, moments to walking tracks and 15 minutes to the CBD. Could it get any better? We look forward to showing you through your new home
