This character filled, centrally located home is an absolute treasure inside and out, capturing a timeless vintage era. You will quickly fall in love with the abundance of features and style, such as polished hardwood floorboards, high ceilings, picture rails and timber features throughout. The L shaped lounge has the original brick chimney with timber mantel and decorative plaster vents. It also offers gas heating as well as a split system to keep the home cosy all year round. The restored kitchen is a highlight of the home, featuring bright colours and original polished brass fittings. A timber benchtop and recently installed gas stove and dishwasher, complete the picture. The 3 well sized bedrooms have updated carpets and window coverings and the home was recently fitted with an upgraded electrical switchboard. Situated on a generous allotment, the rear yard is an entertainer's delight, incorporating a north facing undercover area which leads to a sun filled paved courtyard. If all of this hasn't captured your attention yet, you will be blown away by the most amazing man cave in Warrnambool. This huge space would lend itself to many options, including AirBnB, home business or keeping it as the best backyard pub in town. This property is truly a standout with lots of unexpected surprises and one not to be missed!
