This is a fantastic opportunity to grab approximately 30 acres of lush land only minutes away from Mullumbimby and Ocean Shores. With a cute three bedroom cottage, the land is surrounded by rainforest, and boasts an array of beautiful tropical flora as well. There is an internal fireplace, wrap around balcony, and separate art studio. This is the place to have dogs, chickens, and children running free range in the great outdoors. The home would also be a solid rental property, due to it being in a high demand part of the shire. Lots of options to further develop the property. Call us to inspect!
