Endless beach days, cricket and footy in the expansive yard, getting an icy pole from the shops, and then coming home to a quintessential 'old school' beach house nestled amongst native coastal trees, to have a barbie on the deck! Surely it doesn't get much better than that!?! With this property, you can have all of that again, and finally show your kids what all the fuss was about. This is the perfect place to lock up those devices in 'tech prison', switch off, and get back to the things that are actually enjoyable in life. Featuring two good sized bedrooms, a large open plan living, kitchen and meals area (with the cutest of retro kitchens), and a front undercover deck area, overlooking the huge dual titled 1235sqm (approx.) flat yard. The property is only a short walk or drive to beach 5, the local lookout tower and walking tracks, and is only a short drive to local cafes, shops and restaurants. So, pack the snags and tinnies in the bright orange eski, whack on your 'life be in it' bucket hat, slip, slop, and slap on that sunscreen, and take the family for a drive down to Venus Bay to check this one out!
