This neat 3 bedroom brick home has had one owner for the last 33 years and has been well maintained both inside and outside, with a beautiful relaxing sunroom to sit and read a book and enjoy overlooking the backyard. The living room has a wood heater to relax in the warmth. There is a dishwasher and the home is being sold with a majority of the furniture to a new owner. The home catches the morning and afternoon sunshine, and there is a small timber deck to enjoy at the back entrance to the home.
