This lowset home has a new kitchen, dining and lounge but the upstairs section needs completing to finish off. Although work is needed, the effort will be well worth it in the end. Features Include:

- 3 bedrooms
- 2 bathrooms one with bathtub and shower
- Main living area and additional second lounge/sitting room
- Modern kitchen
- Side access through to the rear of the block
- Established trees and gardens at the rear
- 5.5 kw solar system

Located close to shops and schools, this is the perfect spot to live while renovating. This could be the perfect home to the right buyer, call today to book in your inspection!
