Situated at the top of the sought-after East Tamworth hills you will find this master built home, boasting six large bedrooms plus an office. The quality craftsmanship runs throughout the house and there has been no expense spared in the fit out. The completely renovated home includes three bathrooms which will take your breath away with all the state-of-the-art accessories. Upstairs you are greeted with a large lounge room that flows through to a large open plan kitchen and dining area. Upstairs is completed with Four large bedrooms and two bathrooms and downstairs you will find two bedrooms, a large living space, office, Kitchenette and bathroom which is perfect for a teenage escape or visitors' retreat as well giving you the potential to live upstairs and Air BnB downstairs. The oversized double garage is equipped with a workshop fit for any handyman. To finish it off you have a large deck that is perfect for entertaining and plenty of space no matter the size of your family. The top side of the home backs onto the nature reserve which means you will never have neighbors and you can utilize the extra space. This is a home that must be seen to be believed.
