Unveil the perfect blend of tranquillity, style and charisma in the heart of the picturesque Bullarto - The Wombat Project. Rarely does a property embody such serenity and sophistication as this strikingly renovated three-bedroom, two-bathroom home nestled on a spacious 2,974sqm (approx) of lush land. With its beautiful black facade harmonising with the surrounding landscape, this character-filled and chic home welcomes you into a haven of modern comfort and natural light. The open-plan interiors are adorned with an inviting fireplace, creating an idyllic, relaxing ambience. The sleek kitchen, equipped with quality appliances, epitomises contemporary living, hosting a dine-in area ideal for those who love entertaining and gathering with friends. The three bedrooms enjoy beautiful green garden views, with the main bedroom's ensuite boasting floor-to-ceiling subway tiles and matte black finishes. The main bathroom indulges with a traditional claw-foot bath, shower, and laundry facilities, with French doors extending to the stunning gardens and deck, accentuating the peaceful atmosphere. Outside, a newly built garage and a workshop/studio offer ample space for hobbies and creative pursuits, whilst the garden is enchanting - having hosted endless movie nights under the silver ash tree amidst twinkling fairy lights.
