Luminous with Outdoor Space

Boasting ground floor convenience, this stylish two bedroom apartment incorporates versatile outdoor spaces alongside the thrill that comes with residing on the city's cusp. Part of a boutique complex; it comprises a stone-bench kitchen showcasing premium Bosch appliances (including dishwasher), glass splashback and ample two-tone cabinetry. The meals/family zone is flooded in natural sunlight as it leads to a private outdoor entertainer's terrace with pedestrian ROW. Robed bedrooms accompany the contemporary bathroom with laundry facilities, while the main accommodation has access to a second outdoor space that can also be used for private entertaining. Comprising engineered hardwood floors, split system, intercom, car space and storage cage. Near CBD tram #55, Jewel Station, cafes/pubs, Union/Barkly Squares, parks and vivacious Sydney Road.
