Nestled in the picturesque suburb of North Maclean, the expansive property at 97-111 Wearing Road presents an exceptional development opportunity with significant subdivision potential. Spread across a generous expanse of land, this property offers a harmonious blend of rural charm and urban convenience, making it an ideal canvas for creating a thoughtfully designed residential community. The design philosophy of the development is rooted in sustainability, community, and nature. The goal is to create a development that not only provides high-quality housing but also fosters a sense of community, promotes sustainable living practices, and preserves the natural beauty of the area. The property at 97-111 Wearing Road, North Maclean presents an extraordinary canvas for creating a residential community that harmonizes with its surroundings while meeting the needs of a dynamic housing market. The subdivision potential, coupled with the property's prime location and natural beauty, make it a rare and coveted development opportunity. Whether you're an investor, developer, or visionary looking to shape a distinctive living experience, this property offers the potential to transform your vision into reality. Seize this opportunity to craft a remarkable community that reflects the best of both rural serenity and modern living.
