The white picket fence and popular facade of grey and white tones offer a hint and invitation to explore. The picture window in the lounge room fills the home with natural light while you enjoy the views to the ranges. Accommodation is by way of three spacious bedrooms, the large lounge flows directly to the large family/dining room and kitchen. At the rear of the home is an additional living space - this can be utilised as a home office, rumpus room or even a guest room, this space also benefits from direct access to the rear yard. Internal stairs lead down to the laundry, garage and additional storage space, also suitable for a workshop. With extensive garden beds, the yard is a haven to explore, with enough space for the kids to play and pets to roam. A substantial home in a great location, only moments to the Lismore Heights Public School and Bowling Club, a short drive to the CBD, Shopping Square or to the amenities of Goonellabah. Arrange your early inspection to avoid disappointment, this one is sure to attract strong interest.
