This showstopping head-turner represents the pinnacle of architectural excellence – the epitome of style and class. Ultra-modern, brilliantly designed and offering a host of extra features for a comfort-filled life, this is the upgrade you've been waiting for. We can't wait to show you around. Sitting behind a perfectly manicured front garden, the bold façade has an eye-catching feature porch that sets the chic tone throughout the home. A wide driveway leads to a remote double garage, which affords an alternative entry into the home. The spacious entry hall leads to the spell-binding open plan kitchen, living and dining, unified by exquisite timber floors and an unfaltering sense of panache. The contemporary gourmet kitchen is a chef's delight, awash in upmarket appliances, masses of bench space and impressive cabinetry. There's a seamless flow from the living areas to the covered alfresco dining area. Towering wooden beams stretch away from the home over a paved outdoor veranda, an aesthetically pristine feature that allows for maximum enjoyment of the lush backyard. This is an entertainer's paradise! Back indoors, a rumpus room and a media room add to the flexibility of the property. The four bedrooms are all generous in space, looks and functionality, three boasting walk-in robes and the oversized master a walk-in robe and immense ensuite bathroom. It shares its sparkling aesthetic with the main bathroom, which has a separate shower and bath, a timber vanity, matte black tapware and skylights in the soaring high ceiling. Located in the exclusive Forster Grange estate, this is an opportunity to own a prime piece of Forster real estate. It's just a short drive from our stunning beaches, Stockland shops and all the amenities and restaurants in the center of town. Convenience combined with absolute luxury make this a hard one to pass by. Get in touch with the JKL team now for more information.
