Perfectly positioned in beautiful South Williamstown and moments to Williamstown Beach, this gorgeous and immaculate home on a lovely corner block is instantly appealing. Pretty from the street, with vehicle access off Winifred St, the versatile floorplan will suit families, couples, retirees, investors and those who seek a well maintained period home in a highly desired position. A lovely wide hallway greets you upon entry with generous rooms on either side. The larger room is currently set up as a living space with an adjoining sun room. This could also be used as a third or main bedroom if needed, a bright and airy space with multiple options. A generous open plan living and dining zone at the rear of the home, with an updated kitchen overlooking the back yard. French doors provide access to a sizable yard which includes an undercover decked entertaining area, a paved courtyard which also extends along the side of the home, plus a substantial driveway and carport space which could easily be used as an extension to the outdoor living if needed. Capturing the north facing sun with gated vehicle access off Winifred St, the property is fully fenced and secure. Main bedroom with walk in robe and semi-ensuite access, a lovely big room full of natural light and overlooking the field across the road. The second bedroom has built in robes and overlooks the back yard. A spacious central bathroom, also updated over the years, with a double shower. Ducted heating, split system cooling, European laundry, polished timber floors, there is much to love about this fabulous home. Nestled in magnificent South Williamstown. A blue chip position with easy beach and foreshore access, moments to nearby schools, shops, cafes, supermarket, train station and all the parks and recreation we have on offer in our extraordinary suburb. To be auctioned, unless sold prior.
