\$700,000

Offering up an abundance of effortless living space, this property features both an updated four-bedroom residence and a versatile studio, situated within a wonderfully convenient location. Featuring high vaulted ceilings and flooded with natural light, the main residence boasts a spacious living room and separate family room centered around a smart kitchen. All the hard work has been done, with just a few finishing touches required, the studio would be perfect for extended families or a working from home option. The studio also offers an alfresco for outdoor relaxing and entertaining, set within a neat, private, fenced yard that is extremely easy to maintain. Just a short walk from local shops, eateries and parks, it's also an easy drive to Charlestown Square, Lake Macquarie and the many beautiful beaches on the opposite shore.- Bright and airy floorplan within main residence, accented by vaulted ceilings and a grey-toned neutral palette- Spacious family living offered within living room at front and dining-family room at back- Central kitchen features ample storage, electric cooking, and servery hatch to dining room- Four tidy bedrooms all with contemporary carpet; large built-in robe in master- Great flexibility offered within bedrooms and living spaces- Modern bathroom with shower-over bath and internal laundry feature at centre of home- Vaulted ceilings through the studio, which is a blank canvas ready for you to turn into your dream space- Drive-through double carport at side; dual driveway provides additional parking- Located opposite park and playground, just around the corner from local eateries and shops- Walk to Lakeside School or drive two minutes to zoned Wiripaang Public School (1.5km)- Handy access to public transport- Major shopping at nearby Charlestown Square and Bennetts Green retail hub- Less than 20-minute commute into Newcastle's CBD (10km)
