Beyond the bold facade, this spectacular new home combines an abundance of light, exceptional space and the beauty of natural materials all complemented by a creative design with a firm focus on flexible family living. Beautifully appointed, the home's vogue interior showcases a large master bedroom with its own makeup vanity and luxurious double shower ensuite, together with three further bedrooms and two additional bathrooms and equal opulence. Underlining its family appeal is the inclusion of a dedicated study alcove with integrated workstation, rumpus/lounge (upstairs) and expansive open-plan living/dining area with gas-log fireplace adjoined by a gourmet kitchen with custom cabinetry, top-of-the-range Fisher & Paykel appliances and big butler's pantry/laundry. Other features of this magnificent home include zoned ducted heating/refrigerated cooling, high square-set ceilings, premium carpets and engineered timber flooring, marble benchtops throughout, commercial-grade double-glazed windows all-round and fitted robes to all bedrooms, as well as brushed nickel fittings, concealed cisterns and floor-to-ceiling tiles in all three bathrooms. Stacker doors reveal an alfresco-style entertaining area complete with pergola and exposed aggregate paving, plus a private back garden to enjoy, remote-control garage with internal entry and additional driveway parking. Conveniently positioned walking distance to Keilor Road trams, cafes and restaurants, it's also close to a range of schools, kinder/childcare facilities, the open spaces of Buckley Park and Niddrie's thriving retail precinct, as well as easy access to Citylink.
