AUCTION

A magnificent high rising property facing north for natural light welcomes you with fresh new floors and paintwork in the dual school zone for Mount View Primary and Glen Waverley Secondary College (STSA). With a new build coming next door, the 651sqms (approx.) address sits in the coveted neighbourhood close to The Glen, offering you privileged access to the suburb's impressive range of essential services. A sweeping front verandah highlights the home's panoramic elevation, with the living and dining space opening directly to the viewing platform and a corner bar giving you occasion to entertain across the light-filled lounge. The dramatic bay window and updated induction cooktop and Bosch dishwasher enhance the kitchen's cooking credentials, in addition to a covered BBQ alcove with its own sink and bench and a pergola over the paved patio allowing for summer pool parties. Two bathrooms include a corner spa bath, two showers, and a versatile powder room, plus central heating, ceiling fans and ducted vacuum system are in place. It's an impressive family setting showcasing all the elements for success close to the district's top ranking government schools, shopping malls, sporting facilities, Hinkler Reserve and playground at the end of the street and the gateway connections of Eastlink and the Monash Fwy to fast track you from city to coast.
