The design brief was simple, create a functional open plan design centred around the family. The olive tree and welcome mat at the front door sets the tone and upon entry you are greeted with a cool airy open plan design with loads of natural light and access to the out-door alfresco area, From the freshly painted white walls to the use of choice fixtures & fittings including the use of stone on the benchtops, brushed brass, plantation shutters, "there is nothing like a newly renovated home!" All 4 bedrooms are on the large side with ceilings fans & robes, the master is ensuite and has direct access to the garden. The 4th bedroom offers the flexibility of a home office or a rumpus/tv room for the kids. The kitchen is well appointed, the choice of stone benchtops with the brushed brass finishes takes it to another level with added BONUS of all appliances in the kitchen come with the house, Yes, the fridge to! The outdoors is securely fenced and there is plenty of room for the kids to run wild and build your dream pool. Natural stone has been used for the large alfresco area and the shade cloth offers all year entertaining. With such demand for new product in prime locations, this beautiful home would suit the growing family, the downsizer, 1st home buyer or the Savvy Investor. Features Include: • Secure Garden & Yard • Functional open plan design • Newly renovated – last 6 months • Choice of fixtures & fittings • All kitchen appliances included • Stone Bench Tops • Newly sealed roof • Plantation shutters throughout • Dimmable led lights in living area & kitchen • Split unit and ceiling fans in all rooms Disclaimer: In preparing this information we have used our best endeavours to ensure the information contained herein is true and accurate, but we accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements that may occur.
