Exceed your expectations with this move in ready executive home perfect for the family dynamics. Presenting at street level with an architectural roofline that brings the WOW factor, this home is screened with a thick lush tropical garden in full bloom that includes a hidden walkway and seating area plus side access to the home via gated access. At the front of the home is a formal access with striking corner windows peeping into the lux master bedroom suite beyond. The hallway leads through to the open plan living, dining and kitchen area with dual opening sliding doors at the far end that seamlessly transition to the outdoor entertaining areas. This home is light and bright with great aesthetics that will appeal to the home makers. The kitchen has a galley design with feature pendant lighting strung low over the stone topped island breakfast bar with SS appliances and a walk in pantry as well, the home chefs will love this functional set up. The master bedroom is lux, with a supersized layout that allows you to add in a reading corner or dresser with ease, there is a walk in robe along with a lux ensuite bathroom with twin shower and stone topped vanity. Three additional bedrooms reside down the hall, each with a built in robe and A/C along with tiled flooring underfoot. At the far end of the home is a media room with ambient feature walls perfect to snuggle in for movie nights or an optional 5th bedroom if you prefer. Outside, this home continues to impress with fruiting gardens and plenty of lawns for the kids and pets to play on that wrap around the side of the home as well. Without rear neighbors, this outdoor entertaining space is private and perfect for the family BBQ. If location is everything then this home has it all - located walking distance from local parks with play areas for the kids, walking paths to explore surrounded with lush landscapes and a community vibe with local markets and events held at the IGA complex throughout the year.
