Looking to find solitude amongst nature? Looking to reduce your ecological footprint? Looking to escape the hustle and bustle of modern life? Look no further than 98 Whipbird Drive, Buaraba - a gorgeous, one hectare eco-retreat set on the edge of the Great Dividing Range, just below Ravensbourne. This property is only 30km from Crows Nest, and 45km from Toowoomba. An absolute credit to the owners, 98 Whipbird Drive features a stylish tiny home located in a commanding position at the top of the block, with ample outdoor entertainment space to take advantage of the extensive terraced easy-care gardens. Powered by an 2kva solar system, and with 100,000 litres of rainwater storage, the home provides a low-impact base of operations. The home is complemented by a 6m x 6m shed with a large verandah, fitted with woodheater and kitchenette, all overlooking the on-site dam. The property also features a large 6m x 6m metre shed/workshop, a water storage dam, large wood-fired pizza oven, and extensive vegetable gardens and fruiting trees. If you have a large caravan, there is also ample space to set up camp. This property really represents the best in private retreat living. Inspection is by appointment only.
