With a charming vibe at first glance and then a homely feeling right from the front porch all the way through to the spacious backyard. This one is an affordable first home or hot investment! A renovated ensuite will please and wood heaters in addition to the ducted heating a big bonus through winter! There are 3 toilets, built in robes, an air-conditioner in the master bedroom and excellent outdoor entertaining deck out the back! Walk in, purchase and live in! This home really is, neat, complete and ready to enjoy without any delay..
