Just 2 blocks from Orange's vibrant main street, this beautifully renovated Federation home seamlessly blends original features with modern comforts. Enjoy the elegance of high ceilings, stained glass casement windows, picture rails, and a classic fire mantle with gas log fire alongside the open plan living kitchen dining area. The modern, spacious kitchen is perfect for family meals and entertaining. The home boasts a renovated bathroom, plus a second toilet off the renovated laundry. Outside, an undercover area, easy-care yard and rare double garage offer convenience and space, as well as the 7 panel solar unit keeping your electricity bills under control. Move in and enjoy all the benefits of central living immediately, with no renovations needed. This unique property is a rare find in the heart of Orange!
