This home is a neat 2-bedroom hardi-plank home on steel stumps, a modern kitchen with walk in pantry and good bathroom. New carpet has been laid in the Bedrooms and Lounge and all the other areas are tiled. The lounge area is air conditioned; phone is connected, and the home is Council approved. There is an outside entertainment area with a unique fireplace. The property is fully fenced and has 3 dams – one spring fed and one supplying water to the house for the gardens. The shed includes an extra bathroom, toilet, and wood stove. There is a chook pen and other small animal pens and a veggie garden just looking for some care and attention. Only 40 minutes from Kingaroy this property is a perfect peaceful getaway with enough room to foster the wildlife or have some family pets. Call Tracey to arrange an Inspection. 0418784493
