This beautiful home has loads of character and a view to die for. Upon entry, you will be delighted by the traditional high ceilings, decorative cornice, original fire place and hardwood flooring. The owners have recently finished renovating, including a stylish new kitchen and open plan dining, which opens out onto a large undercover "eco wood" deck with stunning views over farmland, and out to the distant mountains. There are three large bedrooms, which are all bright and airy. The third bedroom, at the rear of the home has beautiful rural and mountain views. The bathroom is neat and tidy and well proportioned. Down stairs there is a large laundry and extra storage. The home is currently tenanted until mid July returning \$480.00 per week. In Addition to this lovely, well maintained home, there is the huge bonus of plenty of land left and good side access to add a second dwelling, subject to council approval. Inspections are by private appointment only, please call Lyn Scott on 0402277658 to book yours today.
