Contact Wayne Stewart direct to arrange. Contemporary and sophisticated apartment living with unmatched resort-style amenities in an exclusive sanctuary on the edge of Newcastle harbour. Welcome to Aurora, a bespoke collection of luxurious two and three bedroom residences designed by acclaimed architect Michael Carr to embrace the quintessential Newcastle lifestyle. Delight in a range of different floorplan styles to suit your needs yet be confident that the superior quality of finish remains the same throughout. Aurora sits up close and personal to all of Newcastle's jewels with living and entertaining spaces framing dazzling views of the coast, harbour, and distant mountains. On ground level you are mere metres from the transport interchange and light rail making the daily commute or a trip to the beach a breeze. And when it comes to dining and nightlife, you are literally spoilt for choice with Aurora's handy location making harbourside Honeysuckle, the revitalised city centre and East End precinct, or famed Beaumont Street all close at hand. Quite unlike any other apartment complex in the city, a dramatic infinity edge pool on level 10 is a relaxing escape in the sky befitting any luxury hotel. A communal entertaining and barbecue area surrounded by lush landscaping is perfect for connecting with your new neighbours. Simply put, Aurora is a place to retreat from the city or invite it in. the choice is yours.
