Individually curated and designed by DKO Architects and brought to life by Willem Properties, these architecturally imagined green title homes are a unique opportunity to secure a lifestyle of luxury and sophistication in the sought after 'South of the Highway' precinct of Nedlands. Each property has been purposefully designed from top to bottom to create bespoke residences that offer a lifestyle of both style and ease. A sanctuary of rest and relaxation, and a recluse from a long day at work or leisure, these exquisite homes offer a new level of luxury and refinement that has not been offered to date in the Nedlands marketplace. With indulgent entertaining areas both inside and out you will be cocooned in comfort all year round. An abundance of facilities at your fingertips, the properties are within close proximity to cafes, shops, schools, parks and the transport. The Nedlands Golf Club, Melvista Park and the Swan River foreshore are all within walking distance.
