Don't miss out on the opportunity to view this modern three bedroom, two bathroom home in the sought after suburb of East Victoria Park. The home is located behind the front two homes making it the perfectly secure lock and leave property. Great for a family. Store up to two cars in the huge lock up garage with motorised roller door with shoppers entrance for easy access in and out of the home. The master bedroom is huge with the ensuite attached having twin basins as well as a built in robe. The minor bedrooms all have their own built in robes as well. The kitchen is set with a built in oven and four burner gas cook top - this home will bring out the inner chef in you! Just off the kitchen is the open plan living and dining area that feeds into the outdoor area, perfect for entertaining. Not only this but the location has something for everyone. You are close to Curtin University, shopping parks and schools! The busy cafe and restaurant strip along Albany highway is only around the corner and has countless options for entertainment. Pets are considered.
